# Bigger and better

A VAST improvement in pharmaceutical services is happening in Laurieton.

The new Your Discount Chemist superstore is now open and you are invited to join in the special celebrations on Saturday, May 26,

The Your Discount Team have already been in Laurieton for 11 years and opening this new store is all about enhancing the shopping experience by giving customers more choice and the room to

browse in comfort.

Everything is now easier to see.

You'll find the same value-for-money prices as they've always had, as well as familiar friendly faces. Plus they have employed five new locals to join their 30-strong team.

It has been a huge investment in the town by the Khodary brothers, who will offer now be able to offer a larger range of products than

ever before.

Among the range are the top nine cosmetic brands including Revlon, Maybelline, L'Oréal, Natio and Max Factor.

Your Discount Chemist also stock the top 12 of Australia's most popular vitamin brands, all at discounted prices.

People will also find an expanded pet range, weight loss powders and a huge range of superfoods, a full

complement of skin care, hair care and much more.

This is the third superstore launch in their group and along with seven other stores it allows Your Discount Chemist to have better buying power, "which we pass straight on to our customers".

People can expect about 1000 of the most popular pharmacy lines at everyday low prices.

And while prices are cheap, customer service is

not compromised, with the staff well trained in all product lines.

When it comes to prescriptions, Mr Khodary said it is his opinion that their prescription prices are some of the cheapest in Australia.

It is a family-owned business and the Khodary brothers are all very hands-on. They have been operating on the Mid North Coast for more than 19 years and have their head office here, so they are

in tune with the local area.

They are all pharmacists and play their own roles within the group. Said is responsible for promotions, stock buying and advertising; Ibbby is the day-to-day operations manager; Fawaz takes care of HR and finances while Hamdy takes care of the website and graphic design work.

Why not head over to Bold Street this Saturday and see for yourself.
