## Opening welcomes a new generation

**GENERATIONS OF EXPERIENCE:** The Khodary family have over 20 years of experience in giving customers more choice at great prices. This experience now spans the generations with Zac Khodary coming on board.

THERE'S now another great reason to visit the Sovereign Place Town Centre, Your Discount Chemist is open and ready for business.

The location is a perfect stopover point, and the parking is plentiful and easy.

"We are very excited to be servicing not only the people of Sovereign Hills, but those who live west of the highway at Wauchope and King Creek," says Said Khodary.

If you've shopped at any of the seven stores in our region, you'll know while prices are cheap, customer service is not compromised.

As with any of the Your Discount Chemist stores; here you'll find a knowledgeable and welcoming team.

This is a family-run business through and through, and the new store welcomes Fawaz Khodary's son Zac into the fold. Zac went to high school in Port Macquarie and graduated as a pharmacist last year. The family are proud to have him on board.

Mr Khodary believes their prescription prices are some of the cheapest in Australia.

But it's not just the low prices and convenience that make this a wise choice, it's also a lovely place to wait while your prescription is be-

ing prepared. You can enjoy a delicious coffee from either of the two new cafes, get your groceries or even play a game of table tennis.

You'll also find all the top cosmetic brands here, including Revlon, Maybelline and Natio, as well as a pet range, weight-loss powders, superfoods and a full range of skincare and haircare.

They stock the top 12 of Australia's most popular vitamin brands, all at discounted prices. All in all, there are 1500 everyday products at low everyday prices.

This is the group's 13th store and while 13 might be unlucky for some, it allows Your Discount Chemist to have better buying power, which they pass straight on to their customers.

Don't miss the Grand Opening this Saturday. There will be over \$2000 of prizes to be won. For the chance to win a TV, airpod or Playstation, all you need do is spend \$50 or more in store to enter.

There will be 50 per cent off nine of the leading vitamin brands as well as some cosmetics. Plus you'll find over 400 specials storewide.

*This is an advertising feature for Your Discount Chemist.*
